Summary of Legislation: This bill has the following provisions:

- A. *Expungement and Restrained Access to Criminal Records* – The bill requires a sentencing court to expunge the records of certain nonviolent Class D felony and misdemeanor convictions, and certain delinquency adjudications, if: (1) 10 years have passed since the person's conviction; (2) the person has not committed a new offense; and (3) no new charges are pending. It permits a court to expunge the records of certain nonviolent felony convictions, and certain delinquency adjudications, if: (1) the later of 10 years have passed since the person's conviction, or five years have passed since completion of the person's sentence; (2) the person has not committed a new offense; and (3) no new charges are pending. It requires a court to restrict disclosure of certain arrest records, if the arrest: (1) did not result in a conviction; or (2) resulted in a conviction that was vacated on appeal. It allows a prosecuting attorney to gain access to sealed records under certain circumstances. It provides that if a court orders a person's records to be expunged or restricted, the person: (1) shall be treated for all purposes as if the person had not been arrested for or convicted of the felony or misdemeanor recorded in the expunged or restricted records; and (2) may legally state on an application for employment or any other document that the person has not been arrested for or convicted of the felony or misdemeanor recorded in the expunged records.
- B. *Converting from Class D Felony to Class A Misdemeanor* – It specifies that orders restricting or expunging records apply to the Bureau of Motor Vehicles. It permits a court to convert certain Class D felonies to Class A misdemeanors if at least three but less than eight years have elapsed since the person completed the sentence. (Current law permits conversion of certain Class D felonies if at least three years have elapsed.)

- C. *Repeal of Certain Provisions*- It repeals superseded provisions concerning expungement and restricted disclosure of records.

Effective Date: July 1, 2013.

Explanation of State Expenditures:

Explanation of State Revenues: *Court Fee Revenue:* An individual must request an expungement of records in court. If additional civil actions occur and court fees are collected, revenue to the state General Fund may increase. A civil costs fee of \$100 would be assessed when a civil case is filed, 70% of which would be deposited in the state General Fund if the case is filed in a court of record or 55% if the case is filed in a city or town court.

In addition, some or all of the judicial salaries fee (\$20), public defense administration fee (\$5), court administration fee (\$5), and the judicial insurance adjustment fee (\$1) are deposited into the state General Fund. Revenue from the pro bono services fee (\$1) is transferred by the State Auditor to the Indiana Bar Foundation for use to assist with pro bono legal services programs in Indiana. And proceeds from the automated record keeping fee (\$5) are deposited into the state User Fee Fund.

Explanation of Local Expenditures: *Summary-* This bill could increase the number of hearings that a criminal court would have to conduct.

The county general fund would receive 27% of the \$100 civil costs fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that

prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. If the case is filed in a city or town court, 20% of the court fee would be deposited in the county general fund and 25% would be deposited in the city or town general fund. Additional fees may be collected at the discretion of the judge, depending upon the particular type of case.

Persons filing a civil case are also required to pay the following fees that are deposited in local funds.

The document storage fee (\$2) is deposited into the clerk record perpetuation fund.

The following fees are deposited into the general fund of the county in which the court is located:

- Document fees (\$1 per document) are charged for preparing transcripts or copies of record or certificate under seal.
